

VC-097 CASA PASSION

This beautiful country house, located between San José and San Agustín, is ideal for those who want to live in direct contact with nature. Its incredible views towards Benimussa Valley and the hills of Capelleta, create an idyllic and very particular landscape.

The property has a total land of 6,530 m2 and a construction of 121 m2.

The main house has a large terrace with an outside dining area, a sitting room, a second living room, an open kitchen with excellent views, a double en suite bedroom with shower, a second double bedroom and a second bathroom with shower. Furthermore, it has a gym area and roof terrace with a chillout with amazing views.

The guest house, with porch and outdoor dining, has a third bedroom with a bathroom with shower.

In the area surrounding the pool, there is a beautiful dining area covered with vines to protect the guests from the sun and an outdoor shower next to the pool.

The animal stables are one of the most special features of the property, ideal for horse lovers. In addition there is a large area for the animals to run and exercise.

The property is fully fenced, has an electric gate, ample parking, a large variety of fruit trees, a large storage area. It also has a fireplace and sabina wood on the ceilings.
