

VC-140 CASA BLANCA

This charming 5 bedroom finca is located in an idealistic position in San Juan and enjoys fantastic views of the sea and the sunset over the bay of Portinax. The property enjoys total privacy and has 15,000m² of land surrounding the house.

The finca has wonderful exposed wooden beam ceilings and traditional finca style arches that give it a real authentic feel and style. The property is distributed in a large, bright sitting-room, dining-room and gally kitchen with a fantastic covered porch with ample room for alfresco dining and has incredible sea and sunset views over looking the pool.

This beautiful property is set in one of the most protected areas of the island San Juan, where nature and tranquillity are cherished and enjoyed throughout the year. The property has central heating and is accessed via a secure electric gate.

Price: 3.500.000 € **Bedrooms:** 5 **Bathrooms:** 4 **Reference NO:** VC-140
